

Sinclair Broadcasting's decision to air a partisan anti-Kerry political piece days before the election is a clear example of the dangers of media consolidation.

Sinclair's feeble attempt to pass this piece off as "news" is not only disingenuous, it is insulting and dangerous. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. This huge corporation is using its position of power not in service to the public, but rather simply to promote the partisan political agenda of its owners. This is an abuse of the power and trust inherent in Sinclair's FCC license.

Sinclair's plan needs to be stopped. Please use the powers of your agency to do just that. Thank you.
